

Web design by ATB

ATB is proud to announce the introduction of its new multi media division, offering a combination of creativity, credibility and cost effectiveness from a partner you can trust.

What do we do?

- ☉ **Web design and implementation**
- ☉ Complete **hosting packages**
- ☉ Expertise in both **LINUX** and **WINDOWS**

Our team of web designers are extremely capable in **HTML, XHTML, XML, CSS, javascript** and **flash**. Our web developers are capable of working with backend technologies in **PHP, AJAX** and **ASP.Net** with **MYSQL** and **MS SQL** as **database**.

We have worked in many industries such as - **healthcare, software, hardware, accounting, legal, tourism, fashion, health, educational, whole sellers** and many more...

The ATB challenge

Challenge ATB to design or redesign your web site. This is your chance to give us a try on one of our fixed price packages and see if you like our service*. Call us on **0845 634 6261** or visit our website **www.atbltd.co.uk** for more information.
